Qingdao Dave Network Enterprises (DNE) Co. LIMITED was established in May 2017. DNE is your pathway to target your business goals in China. As our name suggests, our offices are located in the beautiful city of Qingdao, China. We pride to offer organizational change management assistance, development of coaching skills, technology implementation, strategy development or operational improvement services. Dave Network Enterprises generally brings own, proprietary and priority methodologies or frameworks to guide the identification of problems, and to serve as the basis for recommendations for more effective and efficient ways of performing business tasks.
